***Learning about wire & cable is a matter of course  
with WAI's most popular training program.***

### ***Join us for a wire industry introduction***

New to the industry? Need to come up to speed in a hurry?  
Or are you unclear about the many wire processing terms you've heard?

Yes? Then this concentrated introductory course is for you. It provides a solid grounding in the essentials of wire and cable manufacturing presented by experts in the field. It's WAI's most popular training program and refresher course for new hires, sales teams, and operations personnel.

The program includes a plant visit to Encore Wire on day two.  **ENCORE WIRE**

### ***Featuring:***

- 11 instructors
- Ferrous, nonferrous/electrical & general tracks
- Encore Wire plant tour
- Value - \$195 WAI members  
\$295 Nonmembers
